red ribbon. Elevator had already taken the blue ribbon. The riding of Mrs. Blair Johnson on Torchlight caused a storm of hand clapping. She has ridden at several of the shows in Piedmont Virginia this season, and among the spectators were many from that section who had seen her performance and knew what to expect. J. S. Holloway's riding of Chapple caused many people to say that a better rider had not been seen here at any exhibition. His seat is superb.

Senator Dancy was a conspicuous figure at the show last night. He occupied a seat in the box of Major J. D. Patton. He will remain here until Friday or Saturday, and will attend all the performances.

Representative W. A. Jones, of the First District, was among the spectators last night, occupying a seat in the box of a Richmond friend. Governor Montague was not present last night, but Mrs. Montague was there in a box with a number of young girls.

Mr. Alexander Hamilton, of Petersburg, had a box seat, but he occupied it but little, preferring to stroll about the ring and meet his friends. The ring side is the place to meet acquaintances.

Judge James Keith, of the Supreme Court of Appeals, has been present at all the performances thus far. He was in the box of General Manager C. E. Doyle, of the Chesapeake and Ohio, last night.

Still Grows Better.

The show last night was better than on Tuesday night. There was more going in the audience, and there was a larger audience. If the crowd to-night is greater, the building will be disagreeably full. The show thus far is a success greater than was hoped for. Perfect autumn weather, and entries which few, if any, horse shows in the country can surpass, unite to promise that the exhibition will be a success to the end.

The Artillery Post Band, from Fortress Monroe, one of the best in the country, which won a prize here some years ago, will play at the concert this morning and again to-night. If the Marine Band, which was called to Washington, fails to return in time.

## THE DETAILED STORY

Those Who Won on the Tarback Last Night, and How They Won.

A fashionable crowd was hurrying around the walkway and seating itself in the boxes to the music from the Marine Band when the first class was called: for horses in harness, over fourteen hands and one inch, and fast, exceeding fifteen hands, and requiring quality and all-around true action, and to be able to go a good pace. A splendid bunch responded to the sound of the bugle, and as the high-steppers began to circle the ring the music lost its charm and all attention was turned to the tarback arena.

A splendid lot of high-steppers that puzzled the judges for some time went the rounds to the applause of the large audience, which clapped its hands with unwearied enthusiasm as the royalties of the horse kingdom paraded before them in all the pride of birth and achievement.

Mrs. John Gerken drove her chestnut gelding Newsboy, a winner on many an arena, and to many he seemed the winner on this one. But there was a better. Fascination, a chestnut gelding, entered by G. Trowbridge Hollister, had a fast action, and to him was awarded the blue ribbon. He deserved it. He went the pace and his action was true. He stepped as if he scorned the ground on which he trod, and defied any other animal to equal him. Mrs. John Gerken's Newsboy, a winner of blue ribbons, had to be content with the second honor. He is a splendid gelding, with high-knee action and ability to set a pace that is hard to follow. His winning second place is an indication of the high class of horses that is shown at the Richmond Show. G. Trowbridge Hollister's Election, driven by Thomas Branch, of this city, took the third prize. The fourth went to Brutus, exhibited by Mrs. W. S. G. Williams.

Class 25. Saddle horses, to be shown at walk, trot and canter; to change the lead at the canter, to back easily and to stand for the mount and dismount, was the next class. There were all of a high grade of excellence. Quality, manners, paces and conformation were to count. Dr. Woodend's Maple Leaf captured the first ribbon, and the second went to Mr. Henry Fairfax's Fancy, a bay mare. Fancy has never before been in a show ring, and her winning over horses that have captured blue ribbons at some of the best shows of the country is a testimony not only to the excellence of the horse, but to the skill of the driver. Mr. Henry Fairfax's Kentucky Cardinal, also a Virginia horse, by Highland Denmark, won the third ribbon. The fourth went to American, Miss Holloway's horse, ridden by Mr. Holloway, whose horsemanship is one of the features of the show.

Class 22—Big horses was the next on the programme. A Richmonder drove the winner and won the applause of the crowd, which by this time filled every seat and crowded all the space around the ring and overflowed into the recesses where refreshments were served.

There were a number of highest grade horses in the class, as is abundantly shown by the fact that Baron Brown was entered and did not capture an honor. G. Trowbridge Hollister's Election, driven by Mr. Thomas Branch, captured the blue ribbon from Mrs. John Gerken's Newsboy, a horse that had high for the first time in his career. In which he was entered. Dandelion, a chestnut gelding, entered by Charles F. Corning, won the third ribbon, and Mrs. Grosvenor's Little Boy Blue took the fourth.

In Class 17, for park four-hands, there were only three entries. Mrs. Dietrich's entries having been scratched. Dr. Woodend's coach was a little late in arriving, but they were the target of all eyes, and were followed around the ring by a wave of applause. Mr. Charles Fowles, the great whip, again handled the reins in his inimitable style, and Sidney Manley, the great English houndsman, in his scarlet coat, again caught the crowd by his expert riding. The splendid horses swept around the brown arena. The Woodend team consists of Baron Brown and Brown Baron, leaders, and Shamrock and Santos, wheelers, and moved with perfect rhythmic ease. Mr. Fowles' masterful guidance. The other two competitors in the class were Mrs. James M. B. Grosvenor's handsome four and that of Mr. Thomas Deford, of Baltimore. It was hard to choose among the trio, but the Woodend team, though many of the crowd were favorable to the claims of Mrs. Grosvenor's four, which landed the red ribbon and second prize; Mr. Deford's pair getting the yellow and third honors.

The next class is always the most popular of every show, and invariably furnishes the element of excitement to the show—the ladies' hunter class.

MEN'S & BOYS' OUTFITTERS

With a field of eighteen and the most famous equestrians of North and South in the saddle, it was a royal struggle for the honors, and one that made the blood of the spectators tingle with excitement and evoked unbounded admiration of the dashing, fearless and masterful riding of the ladies.

Chapple, Mr. Holloway's great jumper, with Miss Holloway riding, was the first to be sent over the jumps, and though well ridden, the famous bay was out of it on performance. Miss Holloway, who rode several other mounts in this class, is a strikingly handsome woman, and is one of the finest equestriennes ever seen in this city.

gray, with Miss Skelton riding, furnished the excitement for the evening. The horse had just cleared the first fence, when the rider was seen to slip and then to fall face foremost in the ring, close beside the rail. Everybody was on tip-toe of excitement for a moment, but hardly longer, for the plucky and dashing rider was up in a twinkling, and to the surprise and pleasure of all present, was unharmed, having slid from the saddle and broken the force of the fall by her own coolness. In justice to her, it should be said that the accident was caused by the slipping of the safety stirrup. In a moment Miss Skelton was up, had overtaken her mount, and in less time than the recital of it requires she remounted, and continued her performance. It was an exhibition of intelligence, first, and then of dauntless courage, which the crowd admired in a most vociferous manner. Miss Skelton then took the horse over the remaining jumps with admirable skill, barely touching the fences.

The other horses, in the order of their jumping, were: Bo Bar, Mr. Henderson's big bay hunter, ridden by Miss Dorothy Henry; Mrs. Blair Johnson's X-Ray, ridden by her owner, one of the finest and most popular horsewomen that visit the Richmond show; Charles Pitzer's Your Fellow, winner of the high jump and a splendid performer, ridden superbly by Miss Beach, of New York, making a clean and faultless performance; Freedom, Mr. Holloway's second entry, ridden with rare grace and skill by Miss Marian Holloway; Forest King, Mr. James E. Porter's showy black, ridden by Miss Daniel, of Virginia; T. Evans' Joker, ridden by Miss Henry; and giving a fine performance; Mr. R. M. Taylor's champion jumper, Grey Rock, ridden by Mrs. Blair Johnson, and well ridden; King Dodo, Mr. McComb's chestnut, ridden by Miss Skelton in dashing style; Jack of Diamonds, ridden by Miss Selten, his owner; Lady Winsome, Miss Weatherhead's hunter, ridden by Miss Holloway, one of the most popular riders of the evening; Hot Haven, owned by J. J. Grantham, and ridden by Miss Henry; Granite, owned by Mr. Julian Morris, and ridden by Miss Skelton; Janice, with Miss Skelton riding, refusing the jumps; Hissard, owned by Mr. Young, and ridden by Miss Henry; Pathfinder, owned by Mr. Young, and ridden by Miss Henry; and Danahy, owned by Morris and Joslin, and ridden by Miss Henry.

Forest King, with Miss Daniel riding, overturned the fence, and but for her splendid horsemanship would have thrown her, but with rare presence of mind she retained her seat, and was loudly applauded by the audience for her feat.

Miss Henry, who rode Joker, was

warmly applauded as she carried him over the jumps and did some very fine riding.

In making award, the judges had to take into consideration the fact that under the conditions imposed, manners counted 25 per cent., performance over fences 50 per cent., and conformation 25 per cent. The horses were unadvised and subjected to critical test, after which the blue ribbon was very justly placed on Mr. Pitzer's Your Fellow, this splendid jumper having given a superb exhibition. There was no doubt of his victory. His rider, Miss Belle Beach, under the conditions of the contest, was awarded the handsome silver cup offered by the association to the rider of the winning horse. She was greeted with great applause, the award being a popular one in both cases. The red ribbon went to Mr. Bryan's Elevator, winner of the blue in the green heavy weight hunter class of the matinee. The award was extremely popular because of the horse's fine performance and Miss Skelton's riding and her fortunate escape from injury. Bo Bar, Mr. Henderson's handsome bay, a son of Bohemian, ridden by Miss Henry, captured the yellow and third prize, and Mr. McComb's King Dodo, ridden by Miss Skelton, got the ribbon.

There was but one more event, the thoroughbred hunter class, with five contestants, the other entries having been scratched. In this class conformation and quality were rated at fifty per cent., and performance over fences at fifty. Colleen Bawn, the brown mare, owned by Mr. L. D. Passano, and ridden by his owner, was the first to be sent over the jumps and gave a clean exhibition, clearing everything in faultless style amid great applause. Deep Run, Mr. Harry Beattie's splendid hunter, and a Richmond-bred horse, with his owner riding, tipped the last fence in going over, but otherwise acquitted himself handsomely, and was exceedingly well handled. Joker, Mr. T. L. Evans' entry, ridden by that graceful and skilful rider, Miss Sidney Holloway, was the next to be sent at the fences, and took them all in easy fashion, save the last, which he tipped slightly. Messrs. Morris and Joslin's entry, Danahy, ridden by Mr. Richard Donnelly, gave a fine exhibition after he had warmed up, taking the fences nicely and easily, having tipped the first two slightly. Marjorie Long, ridden by her owner, Mr. L. D. Passano, Jr., after several refusals, cleared the fences in fair style. Mr. T. L. Evans' La Touraine, ridden by his owner, tipped the first fence slightly, but cleared the others in dashing style.

After the judges had passed upon the matter of conformation, the award was announced. Colleen Bawn, was justly given the blue ribbon, while Joker received the red, and Mr. Beattie's Deep Run, the yellow. The white went to La

## Test for Yourself the Wonderful Curative Properties of Swamp-Root

To Prove What Swamp-Root, the World-Famous Kidney, Liver and Bladder Remedy, Will do for YOU, Every Reader of The Richmond Daily Times-Dispatch May Have a Sample Bottle FREE.

Gentlemen—Some two years ago I was so run down that I lacked strength, had no appetite and could not sleep nights. Sometimes it seemed as though my back would break in two after stooping. I had to get up many times during the night to urinate and go often through the day. After having the best physicians prescribe for me without relief, I decided from my symptoms that the medicine I needed was Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. After trying a sample bottle with good results, I purchased six bottles of the regular size, and after taking them was entirely cured. Swamp-Root is a wonderful remedy when a man is not feeling well, after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up a man's system. Other members of the Police force are using and recommending Swamp-Root. They, like myself, cannot say too much in praise of this great remedy.

The Officers (whose signatures accompany this letter), as well as myself, thank you for the good you have accomplished in the compounding of Swamp-Root.

We remain, yours very truly,

To Dr. Kilmer & Co. William Moore Chief of Police.  
Binghamton, N. Y. John W. Heath Patrolman.  
Officers of the Binghamton, N. Y., Police Department.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often through the day and obliges you to get up many times during the night.

EDITORIAL NOTICE—Swamp-Root, the great kidney, liver and bladder remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail. Also a book telling all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonial letters received from men and women cured by Swamp-Root. BRILLIANT MATINEE

The Winners Yesterday Afternoon. Heatherbloom Loudly Applauded.

The first matinee of the Horse Show was a brilliant success in every detail. An excellent programme was carried through on time without a hitch. The audience was a partisan one and testified to the delight of a fine gathering. In fact, the management was well pleased with the attendance at this matinee, which was almost up to that on the opening night and in point of enthusiasm was far ahead of it. There were several classes on the programme that provoked unbounded enthusiasm, notably the tandems, the heavyweight green hunters and the high jump, the last being the climax of the entire performance.
